

WHY A MANGA?

- Interest in manga among **young people**. A large part of the comics sold in Germany are manga.
- Through manga drawings, young people can **creatively** express their ideas and experiences.
- The manga author of Greek origin, **Christina Plakas**, lives in Offenbach.

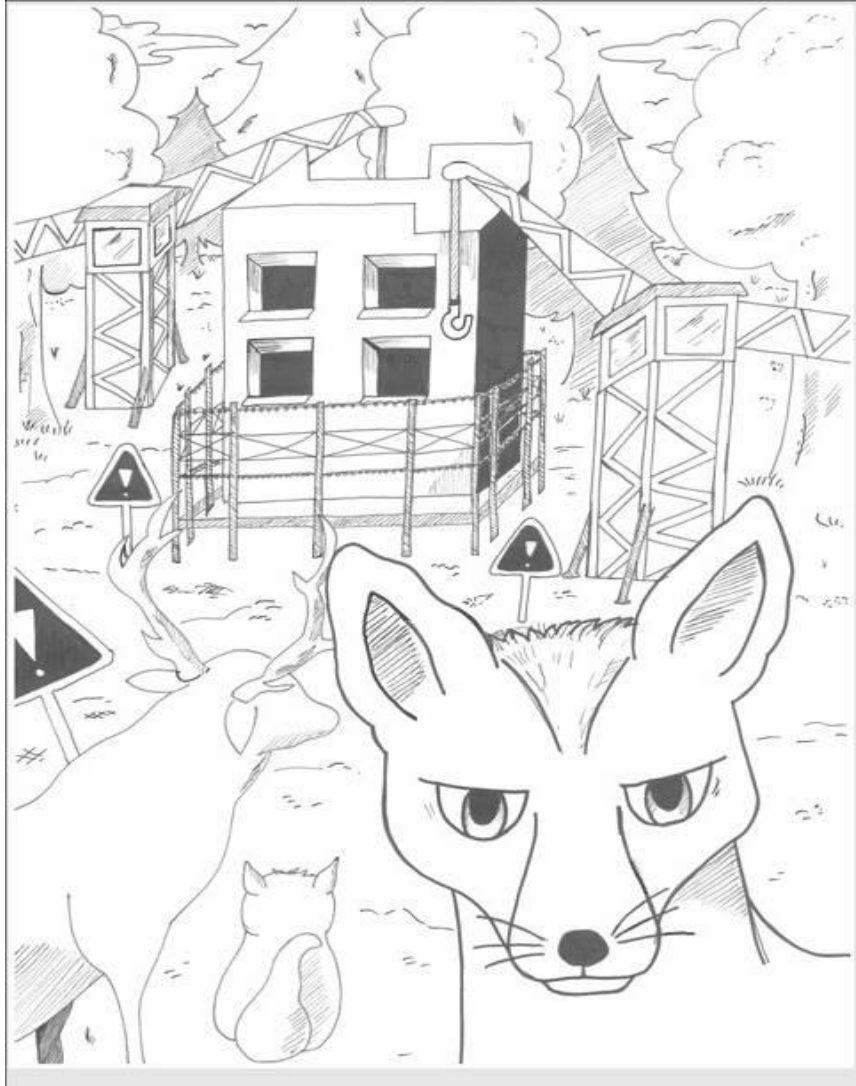

WHAT'S IN THE MANGA

- The content comprises three main themes— **Environment, Diversity and intercultural values**, and **Sports**
- **Environment** covers ecological harm and waste responsibility, including a Valencia flood-inspired tale.
- **Diversity/intercultural values** emphasise acceptance, integrity, friendship, love, and respect to build a harmonious society.
- **Sports** highlight fairness, respect, and teamwork.
